

➤ Husky Appointment System Information

- Currently Husky requires appointments for **Grounded Import Loads ONLY**.
- Appointments for **Grounded Import Loads** are **required** during all gate hours, including all Hoot, Overtime or Saturday Gates
 - *Grounded Imports are in the following "spots":* **F1####**, **G1####**, **H1####**, **I1####**, **F3####**, **E3####**
 - If your container has a spot location that is not one of the four listed above, please contact the terminal to **CONFIRM** that the container **DOES NOT** require an appointment. (*Peel piles, containers on wheels, live reefers, out of gauge cargo, or OT/FR*)
 - Peel Piles do NOT require an appointment.
 - Please check our website, Huskyterminal.com, TMS Login (*top right in light gray*) or contact our customer service at customersupport@huskyterminal.net if you have any questions.
- If a driver will be early or late for an appointment, please contact customersupport@huskyterminal.net **prior** to the driver arriving at the pedestal. We will review and advise action.
- Appointments are provided an hour grace period before and after where applicable.
- Appointments can be made 1 Week in advance (*see further instructions below*) and up to 60 Minutes prior to the appointment time slot.
- To secure appointments, an account must be created with eModal. Dispatchers can register at www.emodal.com. If there are any issues, please contact eModal at helpdesk@emodal.com and 866-758-3838.
- Appointments can be secured even if customs or freight are not released or with demurrage owed. It will show as a warning only. If this is not the case, please let eModal and Husky know.
- Appointments can be made up to a week in advance. Go to eModal Community Portal, Advance Reservation Request, Advance Pregate Request, input the container number and choose from the drop-down Advance Selection "Give Me First Available" and submit. You are not able to specify a date and time with this option. Once the container has discharged and is available it will notify you of the appointment time. Or if you wish you may choose the option "I want to choose date" and it will notify you when its available to schedule.
