Payments shall be made in U.S. funds with advance notice of invoice details, not later than 30 days after receiving the undisputed invoice. Invoices shall be forwarded to CUSTOMER via electronic mail. If CUSTOMER disputes any invoices, then CUSTOMER shall notify, in writing, OPERATOR within 15 days after receiving such invoices. While disputed item is under review, CUSTOMER shall continue to pay the undisputed balance within the 30 day terms. Port of Tacoma Tariff items, such as wharf Storage and demurrage, are to be settled per Port of Tacoma Tariff rules and regulations.

OPERATOR at its own discretion, may temporarily discontinue or cut-off certain services including withholding demurrage refunds or collections to the CUSTOMER based on the age of unpaid invoices. OPERATOR shall be forced to exercise these options if OPERATOR has forwarded multiple invoice copies to the

appropriate CUSTOMER personnel or CUSTOMER has not disputed invoices in writing with specific details or balance remains over 30 days for three (3) consecutive months. Further, OPERATOR shall have the right to take or set-off any or all sums held on CUSTOMER'S behalf for direct, indirect and acquired obligations including debts that CUSTOMER owes to OPERATOR regardless of the source of funds held by OPERATOR on CUSTOMER'S behalf. OPERATOR shall not be required to provide CUSTOMER with any prior notice to exercise this right of set-off.

Invoices shall be paid in full under the conditions set forth herein only by CUSTOMER.

10. LIEN PROVISIONS AND SECURITY INTEREST

- 10.1 CUSTOMER grants OPERATOR a lien on the Cargo while in the possession of OPERATOR and a lien against any vessel, container, chassis, Cargo, and any Equipment, as the term is defined in Section 7, (individually and collectively, "Available Security") to provide security for the payment of amounts due OPERATOR hereunder. As additional security for said amounts due OPERATOR, CUSTOMER grants OPERATOR a consensual lien on all Available Security of CUSTOMER concurrently or subsequently in OPERATOR's possession. OPERATOR may assert its lien rights at any time, and in furtherance thereof may hold and/or store such Available Security until payment is received and/or sell such Available Security publicly or privately; in the event of sale, proceeds shall first be applied to sale costs, then to amounts due OPERATOR, with the balance, if any, to be remitted to CUSTOMER.
- 10.2 OPERATOR shall have a lien on all Available Security in its possession for any charges for services rendered, storage, demurrage and any other charges due, including all costs and legal fees associated with collection of amounts due and enforcing this lien, or any other sums whatsoever payable by or chargeable to or for the account of Available Security under any bailment, receipt or other document issued by OPERATOR, and any contract preliminary hereto and any sums owed to OPERATOR by the person responsible for the account of Available Security or any affiliates thereof on prior accounts or shipments, and the cost and expenses of recovering the same (for purposes of this Section 10, all such charges, fees and costs collectively the "Charges and Costs"), and may hold any or all of the Available Security until all such Charges and Costs are fully settled.
- 10.3 If the Charges and Costs are not fully settled by the time of the Cargo release, or if the Available Security is otherwise unclaimed, after a reasonable time not to exceed thirty (30) days after arrival at the Terminal, or the time set forth in any Applicable Rate provision, OPERATOR may sell the Available Security privately or by public auction, or otherwise dispose of such Available Security, ten (10) days after sending the owner of record notice, via letter (U.S. Mail, postage prepaid, return receipt

requested) or by actual notice by any appropriate means, of the amount of Charges and Costs owed, the date of sale and a statement informing the registered owner that if the Charges and Costs are not fully settled by the date of sale any or all of the Available Security will be sold and the proceeds of such sale will be used to settle the Charges and Costs owed plus the costs of the sale. If the owner of record does not fully settle the outstanding Charges and Costs within ten (10) days of the mailing of the notice letter or giving actual notice, the sale will proceed as described in the notice. If the sale proceeds fail to cover the outstanding Charges and Costs, OPERATOR may recover the deficit from the party responsible for such Charges and Costs, or its affiliates owing any unsatisfied portion thereof. Sale proceeds beyond the Charges and Costs owed will be returned to the registered owner if claimed within one (1) year of the mailed notice.

- 10.4 SECURITY. In addition, CUSTOMER grants a security interest to OPERATOR in the Available Security and all proceeds derived from the Available Security for all charges and expenses (including money advanced and interest), whether incurred before or after delivery, and CUSTOMER agrees to execute and deliver all such documents as may be required to perfect such security interest. If Available Security is transferred from one party to another, and should the charges relating to such Available Security not be paid in full on the date of such transfer, the lien for such charges shall attach to the Available Security retained by the transferor and to Available Security transferred to the transferee. In the event a proceeding is brought by one party against the other to enforce any provisions herein, the prevailing party shall be entitled to legal fees and costs.
- 10.5 REMOVAL. OPERATOR may, upon thirty (30) days' notice to CUSTOMER, with or without cause, require removal of the Available Security or any portion thereof and payment of all charges, whether or not there has been default. If the Available Security is not removed, OPERATOR may sell the Available Security and exercise any other rights it may have by law. Without limiting the foregoing, OPERATOR may require the removal of the Available Security or any portion thereof upon ten (10) days' notice if, in its opinion, the Available Security has or may have deteriorated in value to less than the amount of OPERATOR's lien on such Available Security.
- 10.6 INSURANCE. Stored Available Security is not and shall not at any time be insured by OPERATOR. Charges do not include any insurance coverage for Available Security stored or warehoused at the terminal facility.
- 10.7 APPLICATION. In the event of any inconsistency between the foregoing provisions and any Applicable Rate provision, the foregoing provisions shall govern and apply in full.

11. STORAGE AND WAREHOUSING

- 11.1 The following terms and conditions shall apply with respect to any storage or warehousing terminal services.
- 11.2 ACCESS AND USE. All CUSTOMER access to and/or use of OPERATOR's facility or services, for purposes of storage/warehousing or otherwise, shall be subject to the provisions of this Schedule

Upon any such acceptance, OPERATOR's Applicable Rate shall be deemed fully incorporated herein and binding upon the parties. If no rate or charge was quoted or otherwise identified to OPERATOR for a particular terminal service, the rate/charge to be applied shall be OPERATOR's rates and charges specified herein.
- 11.4 WARRANTIES. CUSTOMER warrants that it is the owner and/or has lawful possession of the Cargo and that it has sole legal right to store and thereafter direct the release and/or delivery of the Cargo. CUSTOMER agrees to indemnify, defend, and hold harmless, including attorney's fees, OPERATOR of and from any claim by others relating to the ownership, storage and release of the Available Security, and/or any other services provided by OPERATOR.

12. LIABILITY FOR LOSS OR DAMAGE

- 12.1 OPERATOR shall be liable only for damage or loss to Cargo resulting from its failure to exercise due and proper care in performing the services provided for herein. In no case shall OPERATOR be liable for a sum in excess of \$500.00 per package or per customary freight unit unless the trucker, shipper, Cargo owner or consignee or their representatives, prior to the commencement of such services, declares in writing a higher value and OPERATOR has agreed to accept such increased limits prior to OPERATOR taking custody of, or assuming responsibility for the Cargo, or other arrangements are made in writing with OPERATOR prior to its taking custody of or assuming responsibility for the Cargo.
- 12.2 CUSTOMER shall incorporate in any bills of lading evidencing transportation agreements entered into for the transportation of Cargo for which OPERATOR'S Services under this Schedule are employed, a provision extending to independent servant's, agents and subcontractors of CUSTOMER (including OPERATOR and each of its subcontractors), the benefits and limitations upon liability of

CUSTOMER thereunder, which shall include, but not be limited to, the provisions of the U. S. Carriage of Goods by Sea Act (“COGSA”), incorporated and extended to apply throughout the time during which OPERATOR performs Services under this Schedule. Any waiver by CUSTOMER of such limitation of liability provisions shall not be effective against OPERATOR. It is expressly agreed by the CUSTOMER that should such bill of lading provisions not extend the application of the COGSA defenses to the OPERATOR, the CUSTOMER will indemnify OPERATOR for those sums that it is liable for over and above the COGSA limitation of liability defenses. When CUSTOMER accepts Cargo on an ad valorem basis (also see Section 5.1 C. 5. above), the OPERATOR shall not be responsible for increased liability unless CUSTOMER gives written notice in advance to the OPERATOR in sufficient time for the OPERATOR to provide special Handling and/or supervision; and extra charges therefore shall be agreed upon between the parties at the time such notice is given. Such confidential notice shall include a description of the quantity, nature and location of the Goods.

- 12.3 In order for CUSTOMER to bring a cause of action against OPERATOR arising out of Cargo loss or damage caused by OPERATOR, CUSTOMER must: (1) have given written notice to OPERATOR of any damage or loss within one year after the CUSTOMER first receives notice, written or otherwise, of the damage or loss; and (2) file suit within one year of the date of settlement by CUSTOMER of any claim for such Cargo loss or damage or the date a judgment is entered against CUSTOMER in any action for such Cargo loss or damage. Moreover, any unilateral waiver of rights or extension of obligations by CUSTOMER, including COGSA, shall result in the discharge of any obligation of OPERATOR to CUSTOMER to the extent of such waiver or extension.
- 12.4 OPERATOR will not accept any liability for concealed damage or loss or the condition of the contents of containers received in damaged condition from vessel or inland carrier.
- 12.5 No provision contained in this Schedule shall relieve OPERATOR from liability for its own negligence nor require any user to indemnify or hold harmless OPERATOR for liability for OPERATOR’S own negligence.

13. LOSS/DAMAGE TO GOODS (CLAUSE PARAMOUNT)

COGSA (46 U.S.C. §1300 et seq.) is fully incorporated into this Schedule and shall be applicable at all times the Goods are, or are deemed, in the care, custody and/or control of OPERATOR. OPERATOR shall not be liable for any loss/damage to or in connection with the Goods in an amount exceeding \$500 U.S. per package, or in the event of Goods not in such packages per customary freight unit, unless a higher value for the Goods has been declared in writing to OPERATOR prior to the commencement of any Services whatsoever and CUSTOMER has paid the increased Rates/charges resulting from such declaration of higher value. OPERATOR shall not be responsible in any event for any loss/damage to or in connection with the Goods if the nature or value thereof has been misstated. OPERATOR shall not be liable to CUSTOMER or any other

respecting the Goods except as set forth in this Section, whether for loss, damage, delay, shortage, misdelivery, failure to deliver or otherwise, and/or in tort, contract or any other theory.

In the event any damage or loss could have occurred during some other mode of transportation or while in the care, custody, or control of any other provider, including the CUSTOMER, such loss or damage shall be deemed to have occurred while in the care, custody, or control of the other provider or CUSTOMER.

14. UNCONTROLLABLE CAUSES OF LOSS/DAMAGE

OPERATOR shall not be liable for any loss/damage to or in connection with the Goods which arises and/or results from any of the following: unseaworthiness, unless caused by want of due diligence; act, neglect or default of master, mariner or pilot in the navigation or management of a vessel; fire, unless caused by the actual fault and privity of OPERATOR; perils, dangers and accidents of the sea or other navigable waters; act of God; act of war; act of public enemies (including terrorism); arrest or restraint of princes, rulers or people, or seizure under legal process; quarantine restrictions; act or omission of CUSTOMER, its agent or representative; strikes or lockouts or stoppage or restraint of labor from whatever cause, whether partial or general; riots and civil commotions; saving or attempting to save life or property at sea; wastage in bulk or weight or any other loss or damage arising from inherent defect, quality or vice of the Goods; insufficiency of packing; insufficiency or inadequacy of marks; latent defects not discoverable by due diligence; and any other cause arising without the actual fault and privity of OPERATOR.

15. NO CONSEQUENTIAL DAMAGES

OPERATOR shall not under any circumstances be liable to CUSTOMER or any other for any indirect, consequential, exemplary, or special damages of any type or nature whatsoever, including, without limitation, any damages consisting of lost profits, lost income, lost business, lost business opportunity, interruption of business, loss or use and/or loss of ability to use undamaged component or system parts, regardless of whether such damages may have been foreseeable.

16. LOSS/DAMAGE CLAIMS

- B. The Goods must be carefully inspected by CUSTOMER immediately upon completion of the Services and delivery from OPERATOR, and any loss/damage evident at such time must be identified to OPERATOR in writing and with particularity, including photographs of the damages.
- C. Unless written notice of loss/damage and the general nature thereof is given to OPERATOR upon completion of the Services and delivery of the Goods

from OPERATOR, or within three (3) days thereafter if the loss/damage is not apparent at such time, delivery of Goods from OPERATOR shall be prima facie evidence of delivery from OPERATOR in good order, count and condition.

- D. In the event of Goods which have been delayed, lost or otherwise not delivered by OPERATOR as contemplated, OPERATOR must be given written notice of such delay, loss or non-delivery within fifteen (15) days from the date upon which the Goods should have been so delivered.
- E. OPERATOR shall have a reasonable opportunity to inspect the Goods, including their packing, packaging, etc., in the same condition as upon completion of the Services and before any repair, alteration, salvage, or destruction.

In any event, OPERATOR shall be forever discharged from liability for any loss/damage to or in connection with the Goods unless suit is filed in the forum identified in Section 20 within one (1) year after the date of delivery from OPERATOR or the date on which the Goods should have been so delivered.

OPERATOR shall be entitled to set-off any amounts owed or due by CUSTOMER or Goods against any claim.

17. CLAIM DOCUMENTATION

CUSTOMER'S written notice of loss/damage to or in connection with the Goods must include and attach copies of the following, as applicable: all bill(s) of lading, transportation agreement(s), receipt(s) and other document(s) identifying the Goods, consignor, consignee, vessel, voyage, shipping date, etc.; all manifests, packing lists, stow plans, loading/discharge reports, tally/count sheets, Cargo receipts, etc.; all agreements, invoices and receipts respecting any sale of the Goods; all correspondence respecting the Goods and/or their transportation; all inspections, surveys, photographs, claim bills, invoices and statement of losses respecting the Goods and/or the loss/damage being claimed, including documents supportive of any mitigation, salvage, market analysis and disposition efforts; and all other documents, instruments, records, data, drawings, photographs and information of any kind or nature whatsoever which may be pertinent or helpful to an understanding of the nature of the Goods, the particulars of their transportation and/or the loss/damage being claimed.

Such insurance shall name OPERATOR as an additional insured and be endorsed to waive subrogation against OPERATOR and to be primary to any insurance of OPERATOR. CUSTOMER shall evidence this insurance by providing OPERATOR with a certificate of insurance prior to any access to or use of the Services. However, failure to provide the certificate of insurance will not waive the obligation to obtain the insurance; and

22. ATTORNEY'S FEES AND COSTS

If any action at law or in equity is necessary to enforce or interpret the terms of this Schedule, OPERATOR shall be entitled to reasonable attorneys' fees, costs and necessary disbursements in addition to any other relief to which it may be entitled.
